

# BODY LANGUAGE WORKSHOP

Would you like to know why and how Italians use their hands so much when they talk? Are you planning a trip to Italy and would like to be given tips to make sense and use gestures correctly combined with some Italian language in real-life situations? Are you studying Italian and would like to complement the verbal discourse? Then this interactive and fun workshop on Italian gesticulation, taught by our expert tutor, is certainly for you!!

See our website for dates, venues and prices.
